

OUR EVENTS

Our Club has several ongoing projects we do year after year and we always seek new ones that take on current challenges. Almost all projects are right here in the Larchmont, Mamaroneck, and New Rochelle communities

ROTARY CLUB OF LARCHMONT

PEOPLE OF ACTION

Our club offers opportunities for our members — and those interested in making a difference. Through meetings, social events, and volunteer projects, our members learn about the issues facing our community and communities all over the world, partnering with local, national, and global experts to exchange ideas about potential solutions and to draw up action plans to respond. Along with these opportunities to serve, members also are able to regularly network, resulting in lifelong friendships and business connections.

Our club is a proud part of this community and of Rotary International. Rotary is a global network of more than 1.2 million members who believe that great things happen when dedicated minds come together. We are community and business leaders representing different professions, experiences, and perspectives but with a shared desire to connect with others to address the challenges affecting our community and communities around the world.

MAKING A DIFFERENCE

Solving real problems takes real effort, commitment, and vision. Rotarians work to protect communities from preventable disease, keep women and children healthy, improve education and economic outcomes, create safe water and sanitation infrastructure, and make our community and the world a more peaceful place.

With clubs in over 200 countries, Rotary is local everywhere.

Here are some examples of the projects we have done right here in our community:

- 1) Hommocks School essay contest
- 2) Blum Award (recognizing outstanding contribution by high school seniors)
- 3) Prenatal care
- 4) School supplies
- 5) Distributing computers for remote learning
- 6) Clean-Up of the Sound after a storm

Our members have found that it's a truly rewarding experience.

My experience with our club has been immensely valuable. I've met many very interesting people that I otherwise would not have met and learned about fascinating projects in our community and across the world.
